

## Evergreen Wreaths... ...a New England tradition...

... and we want to share it with you! Whether you live in New Hampshire, Florida, or California a fresh balsam wreath is only a click away.

Over the last 15 years we have partnered with scouting organizations, school groups, churches and various non profits throughout New England. Our relationship with our clients has grown based on consistent high quality products. Selection, dependable shipping, customer service and great prices are also paramount.

Wreaths as a fundraising product recall the nostalgia of a simpler time. You don't have to worry about selling candy to people with health issues or holiday specific wrapping paper. Our products celebrate the season in a universal way, and can be enjoyed for weeks or months on end. And best of all, balsam greens are a completely renewable resource!

Inside you will find our featured products and price list. Check out our website for a full product line.

### About us

Three Rivers Wreath Company has been producing our high quality balsam wreaths since 1991. Our family owned business is located on the Merrimack River in Franklin, NH. The hand crafted wreaths are made with fresh evergreens picked daily and cold stored to preserve their freshness. We have been profiled on WMUR's NH Chronicle Program and are known for our multi-cultural staff.

### Terms and Conditions

Although we might like to, we don't control the weather! At Three Rivers, we make every effort to begin production at just the right time to avoid excessive needle drop and ship all our orders on time. Sometimes the weather doesn't cooperate. All sales are made with the understanding that we cannot be held liable in the event of crop loss, damage or shortages over which we have no control. Nor can we be responsible for delay in shipping date due to weather or other conditions beyond our control.

We understand that, as a fundraising group, you may not have the money for an upfront deposit. That's okay! One of our staff will be happy to discuss payment and shipping options that work for your group. We do require payment in full on or before the scheduled shipping or pick up date.
